

The diagram shows a rectangular label template with a white background. It is framed by a double-line border: an outer black line and an inner red line. At the top center, an upward-pointing arrow indicates the black line is the bleed line. To the right, two horizontal arrows point to the right: the top one is aligned with the red line, and the bottom one is aligned with the blue line. The text is centered and explains the purpose of each line.
